## POLICY

1. **Purpose**
   This policy sets forth SIT’s commitment to providing an environment where all people can work and study without fear of discrimination,
harassment, exploitation, or intimidation with a focus on non-sexual harassment/ non-Title IX offenses.

2. **Policy Statement**

SIT strives to create an environment where all people can work and study without fear of discrimination, harassment, exploitation, or intimidation. SIT’s greatest concern is for the safety and physical and mental health of all its students, faculty and staff. SIT is committed to maintaining a welcoming and supportive educational climate.

**Non-Discrimination Statement**

SIT does not discriminate on the basis of race, color, ethnic or national origin, sex, sexual orientation, gender identity, religion, age, ancestry, disability, military status, veteran status, or other non-merit reasons, in admissions, educational programs, or activities and employment, and complies with all applicable federal and state laws regarding nondiscrimination and affirmative action, including Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, and Title VII of the Civil Rights Act of 1964.

**Applicability in US-based and Global Program Sites**

Students and staff from other countries must abide by U.S. federal laws and regulations while members of this community. Students and/or staff involved in programs in countries other than the United States must abide by U.S. laws and regulations while overseas, as well as observe local laws and regulations of their host-country.

Harassment and discrimination, as defined below, are never acceptable, although a special effort is made to explain and clarify the rules for those from other cultures who may not be familiar with such a code of behavior. Please note that SIT has no control over the behavior of host country individuals who are not associated with the program and cannot necessarily prevent harassment toward students and others in these locations where it may be considered culturally acceptable or otherwise.

**Retaliation**
SIT prohibits retaliation against any individual who reports discrimination or harassment or participates in an investigation of such reports. Any attempt by a member of the SIT community to intimidate, penalize, or threaten a person who reports or who is otherwise involved or cooperating in, a report of discrimination, misconduct, or harassment is strictly prohibited. Any person found to have participated in an act of retaliation will be disciplined accordingly.
