EDUCATION

Columbia University, Teachers College, New York, NY

Ed.D., International Educational Development

Dissertation: *Educational Inequalities and Ukrainian Orphans' Future Pathways: Social Reproduction or Transformation through the Hidden Curriculum?*

Dissertation Committee: Dr. Monisha Bajaj, Dr. Lesley Bartlett, Dr. Mark Ginsburg, Dr. Gary Natriello

University of Illinois at Chicago, College of Education, Chicago, IL

M.Ed., Instructional Leadership

Nizhyn Gogol State University, Nizhyn, Ukraine

B.A. with Honors in Teaching English as a Foreign Language, Minor in French

TEACHING

Associate Professor of International & Global Education

Chair of EdD Program in Global Education, SIT Graduate Institute, Washington, DC

School for International Training (SIT) Graduate Institute, 2020-Present

- Design doctoral curriculum, conduct webinars, interview and select prospective doctoral students
- Develop and teach EdD and MA degree courses
- Advise and mentor doctoral and Master's students, supervise their dissertations and capstones
- Recruit, hire, onboard, and supervise adjunct faculty
- Chair Institutional Review Board committee: review HSR applications, oversee IRB regulatory guidelines, revise IRB Manual and HSR application

Assistant Professor of International Education, SIT Graduate Institute, Brattleboro, VT

School for International Training (SIT) Graduate Institute, 2015-2020

- Developed and taught on-campus and low-residency Master's degree courses: *Education for Sustainable Development; Practitioner Inquiry; Foundations of Intercultural Service, Leadership and Management; Theory and Practice of International Education; Statistics for Practitioners; International Education Policy; Advanced Concepts in International Education; Design Concepts & Evaluation; Program Planning & Design; Theory, Practice, and Policy of International Education; Capstone Seminar*
- Advised and mentored on-campus and low-residency Master's students and supervised their capstone projects in the practicum phase
- Supervised research assistants on research projects
- Served on institutional committees, including Academic Affairs, IRB, and ad-hoc committees on student assessment, academic competencies, capstone development, and faculty reappointment
- Designed first doctoral program in Global Education and developed curriculum and assessment

Honorary Lecturer & Doctoral Thesis Supervisor, University of Liverpool

Doctor of Education Program – Higher Education, 2015-2021

- Taught doctoral-level research methods courses
- Supervised doctoral students' theses

- Mark Cunnington: *Aligning expectations to experiences: A qualitative study of international students enrolled on privately provided UK university pathway programmes.*
- Sze Sze Hon: *Physical educators' lived experience in continuing professional development in Hong Kong's higher education.*
- Served on Research Ethics committee

Adjunct Assistant Professor, Columbia University, Teachers College, New York, NY
Department of International and Transcultural Studies, 2014

- Designed and taught research design and methodology course to enable Master's students to conceptualize, develop, and successfully complete their Master's theses
- Supervised Master's theses and mentored graduate students in career pursuits

Peer Advisor, Columbia University, Teachers College, New York, NY
Department of International and Transcultural Studies, 2012-2013

- Organized and led academic writing and professional development workshops
- Advised over 100 graduate students to maximize their educational and professional opportunities at Teachers College, Columbia University
- Managed professional development project to prepare graduate students for careers in international education development field

Writing Fellow, Columbia University, Teachers College, New York, NY
Department of International and Transcultural Studies, 2011-2012

- Taught academic writing to enable students to develop academic writing and research skills to successfully complete Master's theses; and mentored graduate students in their academic pursuits

Teaching Assistant, Columbia University, Teachers College, New York, NY
Department of International and Transcultural Studies, 2009-2010

- Mentored doctoral students in International Educational Development Doctoral seminar
- Led discussion sessions; organized course materials; graded assignments for Master's Issues and Institutions core course

Graduate Assistant, Columbia University, Teachers College, New York, NY
Harlem Ivy After-School Partnerships, 2009

- Developed after-school science curriculum and taught students in grades K-8

Instructor of Ukrainian, Columbia University, New York, NY
Slavic Languages and Literatures Department, 2008

- Designed syllabus; prepared learning materials; taught undergraduate students; and graded assignments

Graduate Assistant, University of Illinois at Chicago, Chicago, IL
Tutorium in Intensive English, 2006-2008

- Mentored international students in academic and career pursuits; organized and led academic and career planning panels; and published weekly newsletter

RESEARCH & INTERNATIONAL EDUCATION DEVELOPMENT EXPERIENCE

Qualitative Research Consultant, Three Stones International Rwanda, Washington, D.C.

Program Management Support for USAID/Home and Communities (Uburezi Iwacu Project), 2022-Present

- Supported development and delivery of GIS mapping report, including copy-editing and quality assurance
- Developed literature review on education for children with disabilities and early childhood learning experiences in Rwanda to frame research assessment on social and behavioral change (SBC)
- Developed research framework, including methodology, research questions, sampling, and methods to inform barrier analysis and SBC strategies
- Designed in-depth and key informant interview guides and focus group discussion guides for various stakeholders
- Analyzed qualitative data derived from 238 participants and produced final report to World Vision and USAID

Principal Investigator, SIT Graduate Institute, Washington, DC

Women's Education Behind Bars and Beyond Prison in Ukraine, 2019

- Designed and conducted qualitative case study in a women's minimum-security prison to examine incarcerated women's educational aspirations, experiences, and barriers in and out of prison
- Designed interview protocols, conducted interviews with incarcerated women, prison officers, and teachers; translated, transcribed, and analyzed data; prepared findings for publication

M&E Specialist Consultant, World Learning, Washington, D.C.

Measurement, Evaluation, Research & Learning Department, 2019

- Designed interview protocols and interviewed key stakeholders to inform the development of white papers
- Wrote two white papers – “World Learning Way” – on organization's approaches and implementation of experiential learning and social inclusion in its global programs
- Designed global indicators for measuring results of soft skills & recommended methodology for data collection

Principal Co-Investigator, Independent Researcher, New York, NY

Transnational Youth Activism and Informal Citizenship Education, 2015-2018

- Co-designed and carried out qualitative case study in New York City to examine how transnational youth and young adults' activism in the United States creates alternative spaces for informal citizenship education during political crises in young activists' home countries
- Co-designed interview protocol, conducted and analyzed interviews
- Supervised research assistants in conducting literature review, transcribing and analyzing data
- Prepared research findings for publication and present findings at professional conferences

Post-Doctoral Research Scholar, Columbia Law School, New York, NY

Center for Institutional and Social Change, 2013-2014

- Conducted interdisciplinary research to examine formerly incarcerated women's reentry experiences in higher education and implications for their children to inform design of two-

generation program that enhances women's and their children's educational access, economic security, and social capital

- Designed and administered surveys; carried out and analyzed individual and focus group interviews with College & Community Fellowship beneficiaries and staff using NVivo software
- Developed literature review and collaborated on reports and presentation of findings
- Supervised Law School students in Diversity and Innovation course fieldwork projects and led individual workshops on using qualitative research software for data analysis

Founder & Board of Directors Member, Sublimitas, New York, NY

Sublimitas, 2014-Present

- Design, implement, manage, and evaluate non-formal educational programs (college preparation and mentoring programs) to improve disadvantaged youth's educational opportunities and experiences and to prepare youth in orphanages for higher education in Ukraine
- Supervise local program coordinators and volunteers; train mentors; facilitate professional development webinars
- Organize and lead fundraising campaigns and provide strategic leadership to Sublimitas Board

Principal Investigator, Columbia University, Teachers College, New York, NY

Dissertation Research in Ukraine, 2010-2011

- Designed and carried out qualitative multi-site case study to examine how school curriculum, pedagogy, peer relationships, and educational-social policy impact socio-economically disadvantaged youth's post-secondary education decision-making, educational destinations, and school-to-work transitions
- Conducted, translated, transcribed, and analyzed over 100 individual and focus group interviews with orphanage youth, alumni, educators, and policy makers; carried out extensive observations of in- and out-of-classroom activities; conducted policy document analysis
- Developed policy recommendations to address substandard quality of secondary education; access to and quality of education in vocational schools and universities; and children's rights violations in and outside orphanages

Save the Children Intern, Washington, DC

Education and Child Development Department, 2009

- Developed guidelines and success indicators to implement Safe Schools program in Global South pilot countries experiencing gender-based violence in schools
- Improved Safe Schools program draft for in-country program managers; and created Safe Schools executive summary for donors and public

Research Assistant, University of Illinois at Chicago, Chicago, IL

College of Education, Curriculum and Instruction Department, 2005-2006

- Collected and analyzed audio and video data for NSF-funded Science and Literacy Enactments Project in a low-income Chicago public school to examine primary school children's scientist identity construction and enactment
